FREQUENTLY ASKED QUESTIONS

How do I get into a level?

It's easy – just make sure you use your membership card for purchases.

Do my points expire?

All points will expire each year on 31 December, unless you are a Diamond, Platinum or Gold member.

Does spending my Wenty Rewards points affect which level I am in?

No, members are encouraged to use their points throughout the venue. Spending points does not affect the level you are eligible for which is based upon points earned in the previous six months.

Can I go up a level anytime?

Levels will be reviewed on a monthly basis and members will be moved between levels according to their points earned in the last six months.

A member can move up to the next level on the first (1st) of each month or the following working day after the first and remain in that level until the next bi-annual review, which occurs every April and October.

How do I know which level I am in?

When you swipe your card at the members' swipe terminal, your level will show on the screen. You may also find out your level at reception or from a customer service representative.

When do I drop a level?

Dropping levels only happens in April and October. Between these months you can only rise a tier level.

How much are my points worth and what is my minimum spend on redemptions?

One point equals one cent in value ie 1pt = $0.01. The minimum points redemption at Wenty Leagues Point Of Sale is 100 ($1.00) points and for all other redemptions is 1,000 ($10.00) points.

How do I find out if I have enough points to stay in the same level after each April or October?

Please see a Customer Service Representative who will assist you with your enquiry.

If I use Cashless Gaming, will I still earn points?

Yes, cashless gaming is a separate part of your membership and will not impact on your points earning ability in any way.

Can I opt out of Wenty Rewards?

Yes you can. Your card will still gain you access to the club but you will not be eligible for any of the benefits or promotions offered to members as part of Wenty Rewards.
